16 Placement of these stop signs shall be mandatory except when in the determination of public  
17 highway agencies the existence of stop signs at a given crossing would constitute a greater  
18 hazard than their absence based on a recognized engineering study.

19 Nothing in this subsection shall be construed as granting immunity to any railroad  
20 company as to liability, if any, for an accident which might occur at a crossing where stop signs

23 shall be determined as provided by law.

24 (26) The department and local authorities are authorized to determine those portions of

29 vehicle shall obey those directions.

34 otherwise be prohibited under this title or title 40, Idaho Code.

35 (28) The department and local highway authorities within their respective jurisdictions  
36 may place official traffic-control devices prohibiting, limiting or restricting the stopping,

38 dangerous to those using the highway or where the stopping, standing or parking of vehicles  
39 unduly interferes with the free movement of traffic thereon.

40 (29) On any informational material printed after July 1, 1995, by or at the order of  
41 the department and distributed to counties, school districts or individuals for the purpose of  
42 assisting a person to successfully pass a driver's license test, the department shall include

11 department, and conditioned to indemnify any prior owner and secured party and any  
12 subsequent purchaser of the vehicle or person acquiring any security interest in it, and  
13 their respective successors in interest, against any expense, loss or damage, including  
14 reasonable attorney's fees, by reason of the issuance of the certificate of ownership of

16 title and interest of the applicant in and to the vehicle. Any such interested person has a  
17 right of action to recover on the bond for any breach of its conditions, but the aggregate  
18 liability of the surety to all persons shall not exceed the amount of the bond. The bond,  
19 or any cash deposit, shall be returned at the end of three (3) years, or prior to that  
20 time if the vehicle is no longer registered in this state and the current valid certificate

30 identification number by an authorized representative of the department, the applicant  
31 shall execute a document in the form provided by the department releasing it of any  
32 and all damages that may be suffered by the applicant, along with warranties that the  
33 applicant will pay any and all damages suffered by any person or entity as to the issuance

42 suffered by any person or entity as a result of the issuance of a certificate of title as  
43 provided by this subsection.

10 be practical. In these exceptional cases, the permit should be conspicuously displayed in a  
11 place where the number of the permit and the expiration date may be easily read and where  
12 protected from exposure to weather conditions which would render it illegible.

13 (3) The dealer shall keep a written record of every temporary registration permit issued.  
14 This record shall include the name and address of the person or firm to whom the permit

20 section shall be transmitted by the department to the state treasurer for deposit in the highway  
21 distribution account.

22 (5) Upon application for title and for registration of a vehicle for which temporary  
23 registration has been issued under this section, the county assessor shall collect and fees shall
